

*Thanks For
The Memories...
Palmetto Shag Club*

Tenth Anniversary

1992-2002

*Congratulations, Palmetto Shag Club on your
Tenth Anniversary!*

Ten years ago, PSC was born.
My oh my, how time has flown!
There was just no way to possibly know
How much and how quickly we would grow.
The Club is so special in many, many ways
And it has filled our lives with lots of fun days.
The friendships, the fellowships, and the parties
Have been enjoyed ever since PSC got started.
Let us now reflect on the good times and then
Look forward to another successful 10 TIMES 10!!!
Marilyn Livingston

Happy Anniversary Palmetto Shag Club! Thanks for many great years of wonderful memories, friendships, fun times and great dancing. May we all be fortunate and blessed enough to share another ten years together, and to enjoy ourselves as much, if not more, than we have these past ten. A great big thanks to all of the organizers and officers, past and present, and for the members, for all their hard-work, dedication, devotion, genuine love and interest in beach music and shagging, for making this club possible.
God bless each of you, Pam and Bill Meacham

I am extremely proud to be a "active" member of the Palmetto Shag Club because it's goals seems to focus on promoting the music AND seeks to provide quality parties and positive and friendly support for all of it's members. Most important to me is the attitude of friendliness of the members and their unselfish willingness to work and do things for the club when asked. I am so proud to be a part of a club that enjoys what it does so much that we do have a fun time "preparing for our events". It is only this way because of the consistant and supportive hard work of all of the members that have always been willing to make the time to do what it took to help the club and to maintain a positive attitude in doing it. I appreciate the time, labor and patience the officers (current and past) have given to make us the respected club in the Association that we are. Bill Kelly

Congratulations Palmetto Shag Club, you've have gotten bigger and better with each year. Thank you for always having your members in your vision.
David Johns

I've been a member of the club since 1994 and have been privileged to serve in both elected and appointed positions. I have watched and participated as we grew from a membership of just over 100 people, to where we are now and I am constantly in awe of our size and scope. It is a tribute to our leaders and our members that we continue to be one of the premiere Shag Clubs in the ACSC. Congratulations to the Palmetto Shag Club on its first decade. May it and its members enjoy many many more. Bob Mergle

HAPPY ANNIVERSARY PALMETTO SHAG CLUB

It is with great pleasure and excitement that we celebrate the tenth anniversary of Palmetto Shag Club. Our club has seen continual growth over the past ten years. This is contributed to the hard work and dedication of our members and officers who have strived to create the atmosphere we all enjoy at our parties.

The founders of this wonderful club had a vision, which was to form a club where members could be themselves, be accepted for their style and form of "shag dance" and above all have fun. We can see that this vision has certainly come true as we reflect back over the progress and achievements of the last ten years.

Many members have made countless contributions, both monetary and laborious for the benefit of PSC. The friendliness of our members has spread far and wide, with this being a trademark for our shag club. We are known for having fabulous parties where everyone is greeted with a hug and a smile.

I feel honored to be a member of Palmetto Shag Club and privileged to serve as your president. Your board this year has been "the best" I have ever had the pleasure of working with in any civic or club arena. We have worked so well together as a team always staying focused on the best benefit for our members. Due to everyone's efforts, and technology, we have communicated quickly and efficiently through e-mail to conduct club business. We all appreciate the confidence you have shown in us by selecting us as leaders of our fine club.

Special thanks go to all who have helped to make this a memorable event for us all. We have covered a lot of ground in the past ten years. We hope each of you will continue to be a part of our club and will help to make history, as we look forward to the next ten years.

Happy Anniversary Palmetto Shag Club...

Helen Still, President
12/14/02

History of the Palmetto Shag Club

1992-2002

The Palmetto Shag Club was formed in 1992 by "the elite eleven" with founders ruling that none of them could serve as an officer in the first year. The eleven founders included David Adams, Butch and Teresa Alsing, Tommy and Virginia Baird, Linda Burns, Marshall Fields, Mel Grove, Dan Humphries, Elton Johnson, and Frank Thiele. News of the formation of a new shag club in the Midlands spread quickly with enthusiastic members holding their first party in November 1992 and no officers elected until 1993. The club was named by Teresa Alsing.

In 1993 David Johns was elected the first president of the club and under his leadership the club was unanimously approved for membership in the Association of Carolina Shag Clubs. The club was sponsored by the Camden Lugoff Area Shag Society with Palmetto recognized as the club with the largest membership of any newly accepted shag club in the association. In fact the membership had grown so much that it ranked in the top 20% of all shag clubs in the association. It was during David's term that many of the parties we enjoy today were created and that Palmetto sponsored the Hall of Fame Summer Blast in which over 200 Palmetto Shag Club members were able to meet and dance with many of the members of the Shaggers Hall of Fame.

In 1994 Elton Johnson who was a founding father of the club was elected Palmetto's second President and the first to serve a two year term. Under Elton's leadership the club sponsored a paver on the Shaggers Walk of Fame in Ocean Drive insuring that the Palmetto Shag Club would forever be immortalized as part of O.D. It was also during this time that the 10th anniversary of the establishment of the Shag as the official state dance was celebrated. The club continued to grow and was recognized as one of the top five largest clubs in the ACSC, eventually reaching #2 in membership of all clubs in the association. It was during Elton's term that the official Palmetto shirts were designed, PSC first co-sponsored an officially sanctioned SPA contest, and the idea

for creation of an annual 3 day party was conceived. Elton served as the first elected Sergeant-at-Arms for PSC when the office was officially sanctioned as part of the By-Laws in 1998. All of us in Palmetto thank Elton for his vision in creating the club, for his being a founder and charter member, for his tenacity in guiding a growing club, and for his incredible generosity as many of the free pours, donations of raffle items to bring money into the treasury, and monies for parties in the early years came out of his own pocket.

In 1996 Carroll Yongue was elected PSC's third President and the first woman to hold this office. She co-chaired Palmetto's first annual Southern Comfort and gave the weekend party its name. Under her leadership PSC became a sponsor of the Hall of Fame fund-raiser, and she began the tradition of PSC's involvement in the Palmetto Project with PSC members donating toys for disadvantaged children at the annual Thankmus Party. She is also credited with starting the tradition of PSC hosting a Tea Party at the OD Arcade the last Saturday of Spring and Fall SOS.

In 1998 Mike Robinson was elected Palmetto's fourth President. He co-chaired the first annual Southern Comfort. A supporter of the Junior Shag Association Mike developed the idea of Palmetto sponsoring an Inland Junior Shag Weekend in the capital city to introduce the state dance to children of the Midlands and to offer instruction from veteran shaggers to junior shaggers at the intermediate level. During Mike's tenure the tradition of recognizing a hardworking behind the scenes member of the Palmetto Shag Club as the "Palmetto Pal" of the year was initiated.

In 2000 Jimmy who had served as immediate past Vice President of Palmetto, a position he held for two years, was elected Palmetto's fifth president and first in the new millennium. He co-chaired the second annual Southern Comfort and was Event Chair of Southern Comfort 2000. The club welcomed Jimmy, with his experience and energy, he was extremely qualified to continue the good times, fun parties, and charitable works that Palmetto Shag Club had become known for. Jimmy transformed the newsletter into the booklet form that we have today with the current front

and back cover. It was during Jimmy's term that he initiated the "Presidential Award" for a dedicated, loyal and supportive person who is also an ambassador of the club. This award is given at the annual Thankmus Party. Governor Jim Hodges declared the first weekend in June as Southern Comfort Weekend during Jimmy's term in office. The Gentlemen's Corner was also initiated during this time.

In 2001, Helen Still was elected to serve as Palmetto Shag Club's sixth President. Helen served two terms prior to this as Vice President. During the time she served as Vice President and Southern Comfort Tri-Chair, she was responsible for having a mural painted with a beach scene to be used during Southern Comfort. During her first term as President we had our first ever float in the SOS parade, which was a wonderful accomplishment for our club. Due to safety concerns of our members, alcohol cut off time was implemented at midnight, and coffee and donuts or other desserts have been served in an effort to provide continued safety when our members leave the party. Helen also created the club's very own website. It is www.palmettoshagclub.com We appreciate all of her diligent work and dedication in the completion of this project.
