Presidents Corner

What does SOS and the ACSC mean to you as a Palmetto Shag Club member? Some may say nothing, but you may want to reconsider that thought. These two organizations play a vital role in the way we enjoy our time at the beach during the Winter Workshop, two SOS's, and the Summer Workshop, which is at a location determined by bidding and acceptance by the voting Presidents at the ACSC meeting. By being an active member we get to enjoy free band concerts and planned free activities at the various participating clubs. The participating clubs reciprocate their gratitude to you for visiting their club by having a great DJ lineup to continuously play for your enjoyment. Sometimes there is free food distributed, just for coming by and visiting. The ACSC returns eight times as much money to our club as we pay in membership dues to be a participating member. This is just a few of the benefits you, as a club member receive by your club and you supporting these two great organizations. Hope to see you at SOS so you can see for yourself.

We established the nominating committee at the last Club Party by having Ron Stricklin, Barbara Guard, and Ellie Sidenberg volunteer to serve on the nominating committee. By order of the bylaws, I appointed two additional people, which are Jerry Sharpe and Steve Teer. Any interest to serve can be passed along to these people so they can make their choice of the slate which will be presented for final vote of the membership.

I will now start making plans for the DJ Marathon scheduled for October 20, 2018 at the Blue Coyote. We will use all of our ABSCDJ's that are willing to play, with the proceeds going to the Cancer Society or a split between them and the Heart Association

I want to remind everyone, all of the club parties for 2018 will be held at the SCHA building where we have been going, but starting with the 2019 Valentine's Party, all of our parties will be held at the Tri-city Leisure Center just off of Platt Springs Road. This is a great opportunity for our club. We had to change venue because of SCHA directors taking a different approach as to how they would proceed with their rentals. They are reducing hours for their work force so they will not have to work all weekends and get some time off. It has worked out well for our club because we are saving about \$400 per party and are still able to give our members the same fine atmosphere we have all become accustomed to.

As always, Palmetto Shag Club extends our sympathy for those members and friends that have lost love ones and wish a speedy recovery for those of you that are suffering from medical setbacks.

Keep on Shagging
